THIS MATTER came before the court on June 5, 2008 for hearing of several motions, including defendant Greggory Sablan Kalen's motion to conduct independent testing of alleged drug evidence and to hire an independent lab for such a test, which all other defendants joined. Plaintiff appeared by and through its attorney, Assistant U.S. Attorney Eric O'Malley; defendant Greggory Sablan Kalen appeared personally and by and through his attorney, F. Matthew Smith; defendant Lawrence Kalen appeared personally and by and through his attorney, Bruce Berline; and defendant Manuel Aldan Sablan appeared personally and by and through his attorney, David Banes.

The court granted the motion from the bench, subject to conditions, and ordered that the amount previously authorized to hire a private investigator be increased up to \$2,000.00, such amount to be applied towards the costs of the independent testing. Counsel for the parties then convened in chambers on June 9, 2008. During that meeting, the parties agreed in principle as to the requirements and procedures to be followed in order to safely and fairly effect the requested independent testing.
